On Thursday, April 11th, we will have registration night at the lodge. All of your team members do not have to be there for registration. However, we request all team names and team members to be registered by that night. We will then have opening day of 2nd season to hunt. The hunt will go from Friday, April 12th - Sunday, the 14th. All teams must report to Heritage 1865 by Sunday the 14th, by noon - 12:00 pm sharp! We will then score every team. PLEASE NOTE: all turkeys must be tagged and reported before coming to the lodge. Afterwards, we will host a huge cookout for everybody (included in your entry fee, bar not included). For those of you who are in the area hunting or wanting to spend time at the lodge, our bar will be open Thursday through Saturday night, April 11th-13th.

For anyone that is needing ground to hunt, Heritage will provide 12 spots (first come, first serve). However, we will station the spots and there will be no run-and-gun. We will be having a drawing for these spots on the Heritage grounds. The drawing will be held Thursday, April 11th. We will also provide aerial maps for anyone that would like to scout the ground beforehand. PLEASE NOTE: you must contact us in advance! Heritage will also be providing four rooms at the lodge and reservations must be made ahead of time.
